RESTRICTIVE COVENANTS

KNOW ALL MEN BY THESE PRESENTS that we, E. T. Jackson and Geraldine A. Jackson, his wife, of the County of Leon and State of Florida, as covenantors and owners in fee simple of Azalea Park Unit No. 2, a subdivision, according to a map or plat thereof appearing of record in Plat Book 3, page 131 of the public records of Leon County, Florida, desiring to restrict the use and occupancy of all of said lots in said subdivision for the purpose of enhancing their value and for the benefit of present and future owners of the property in said subdivision, do hereby impose upon the said lands included in said map or plat of said subdivision, and upon each and every part of said lands so included, the following covenants and restrictions to run with the land and which shall be binding upon all persons claiming by, through or under us or either of us:

1. LAND USE AND BUILDING TYPE. No lot shall be used except for residential purposes. No building shall be erected, altered, placed, or permitted to remain on any lot other than one detached single-family dwelling not to exceed two and one-half stories in height and a private garage for not more than two cars.
2. ARCHITECTURAL CONTROL. No building shall be erected, placed, or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the architectural control committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved. Approval shall be as provided in Paragraph 1.
3. DWELLING COST, QUALITY AND SIZE. No dwelling shall be permitted on any lot at a cost of less than \$7,000.00 based upon cost levels prevailing on the date these covenants are recorded. The ground floor area of the main structure, exclusive of one-story open porches and garages, shall be not less than 700 square feet for a one-story dwelling, nor less than 600 square feet for a dwelling of more than one-story.
4. BUILDING LOCATION. No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum building setback lines shown on the recorded plat. In any event no building shall be located on any

lot nearer than 25 feet to the front lot line, or nearer than 15 feet to any side street line. No building shall be located nearer than 10 feet to an interior lot line, except that no side yard shall be required for a garage or other permitted accessory building located 60 feet or more from the minimum building setback line. No dwelling shall be located on any interior lot nearer than 5 feet to the rear lot line. For the purpose of this covenant, eaves, steps, and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building, on a lot to encroach upon another lot.

5. LOT AREA AND WIDTH. No dwelling shall be erected or placed on any lot having a width of less than 65 feet at the minimum building setback line, nor shall any dwelling be erected or placed on any lot having an area of less than 6,500 square feet.

6. EASEMENTS. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the rear five feet of each lot.

7. NUISANCES. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

8. TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.

9. ARCHITECTURAL CONTROL COMMITTEE. The architectural control committee is composed of E. T. Jackson, Geraldine A. Jackson and S. E. Teague, Jr., all of Tallahassee, Florida. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

10. PROCEDURE. The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee, or its designated representative, fails to approve or disapprove within 30 days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

11. GENERAL PROVISIONS. Term -- These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

12. ENFORCEMENT. Enforcement shall be by proceedings at law or in equity against any person or persons violating or

attempting to violate any covenant either to restrain violation or to recover damages.

13. SEVERABILITY. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
