KNOW ALL MEN BY THESE PRESENTS that JOHNNY PETRANDIS REALTY, INC., the Owner of that real property described in Exhibit "A" attached hereto, does hereby covenant and agree to and with all other persons, firms or corporations now owning or hereinafter acquiring any interest in the property described in Exhibit "A" SHALL BE SUBJECT TO the following restrictions as to the use thereof, running with said property by whomsoever owned, to wit:

1. Lots can be subdivided but no lot so subdivided shall contain less than 1 1/2 acres.
2. Each dwelling house shall have at least one thousand and fifty (1,050) square feet of heated area, and only one (1) dwelling house will be allowed on each 1 1/2 acre tract.
3. Each dwelling house shall be placed at least one hundred (100) feet off the main road and at least fifteen (15) feet off each side and rear lot line, unless exception is given by developer.
4. Modular or manufactured homes may be placed on the property and must be at least 24' x 44' in size and shall have been built in 1979 or later (unless approved by developer), shall have single roof and masonite, wood, brick or stucco siding. Modular or manufactured homes must be installed and skirted in a manner and with materials approved by developer.
5. No single wide mobile homes shall be placed on the property.
6. All plans for any dwelling house, barn and/or workshop must be approved by developer. Approval to move any existing structure on to any lot must be obtained from the developer prior to moving such structure on to any lot.
7. No swine can be raised or kept on the premises.
8. Horses and cows will be permitted but must be fenced in.
9. No shack, shed or tent may be used as a temporary or permanent dwelling.
10. No mechanical workshop for business purposes permitted.
11. Outbuildings to be located on the back half of the property.
12. Owners of property will not be permitted to have any unsightly nuisance, such as broken down cars, appliances, scrap lumber piles, farm implements, etc., within plain sight from the road or their neighbors.
13. Said property shall be used solely and only for residential purposes and no business, trade or manufacture shall be carried on upon and part of same, nor shall any commercial use be permitted on any part thereof.
14. In the event that any owner or tenant of any of said lots of this subdivision shall permit or cause a nuisance to exist in violation of these restrictive covenants or otherwise,

then any owner of any lot in said subdivision may bring a legal action to abate such nuisance and to recover any damages in the event that such nuisance has caused a depreciation in value of any lot in said subdivision. Violation of these restrictive covenants may be enjoined by any property owner in said subdivision.

15. No lot, or part of a lot, other than that portion described in Exhibit "B" attached hereto, can be used for roadway, right-of-way or utility purposes except for ingress and egress, for that lot or part thereof, and utilities for that lot or part thereof. This restriction does not apply to JOHNNY PETRANDIS REALTY, INC., its heirs or assigns. *11-11-71*

16. The owner of any lot, by acceptance of a deed therefor, shall be deemed to covenant and agree to pay assessments, which shall be used exclusively for the maintenance and improvement of the private roadways within the development. The assessment may be modified by the vote of the owners of a majority of the lots within the development, on the basis of one vote per 1 1/2 acre. Assessments shall be established and collected at the time and in the amount determined by a majority vote of the owners of lots in the development and shall be divided equally among said acreage. The assessments, together with such interest and costs of collection as are hereinafter provided, shall be a charge on the land described herein and shall be a continuing lien upon the property against which such assessment is made. Each such assessment, together with such interest and costs of collection as is herein provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment became due.

If the assessments are not paid on the date when due, then such assessment shall become delinquent and notice of such delinquency shall be sent by certified mail, return receipt requested, to the address of the owner of such lot as is shown on the current Real Property Ad Valorem Tax Assessment Roll for Leon County, Florida. The assessment shall, together with interest and costs of collection, become a continuing lien on the property which will bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eighteen (18) per cent per annum, and the remaining property owners may bring an action at law against the owner personally obligated to pay the same and foreclose the lien against the property. There shall be added to the amount of such assessment, interest on the assessment as above provided and a reasonable attorney's fee to be affixed by the Court, together with the costs of the action.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage now or hereafter placed upon the properties subject to the assessment. This subordination shall not relieve such property from liability for any assessments now or hereafter due and payable, but the lien thereby created shall be secondary and subordinate to any first mortgage irrespective of the time any such first mortgage is executed or recorded.

17. The restrictive covenants herein imposed are to remain in force and effect for a period of twenty-five (25) years from date hereof.

18. The invalidation of any restriction hereby by judgment of any court shall not affect any of the other restrictions.
