

RESTRICTIVE COVENANTS

KNOW ALL MEN BY THESE PRESENTS: That Deeb Builders, Inc., a Florida corporation, of the County of Leon, in the State of Florida, as covenantor and owner of ROLLING ACRES, a subdivision in Leon County, Florida, according to plat thereof recorded in Plat Book 4, page 24, of the public records of said county, does hereby impose upon the lands hereinabove described the restrictive covenants hereinafter set forth against said lands, to-wit:

A. All lots shall be known and described as residential lots. No structures shall be erected, altered, placed or permitted to remain on any residential building plot other than one detached single-family dwelling not to exceed two stories in height and an attached or detached private garage for not more than three cars, and a laundry or tool room attached to the garage on the ground floor.

B. No building shall be located nearer than thirty (30) feet to the front lot line or nearer to the side street line than fifteen (15) feet. No building, except a detached garage or other out-building located eighty (80) feet, or more, from the front lot line, shall be located nearer than six (6) feet on one side and ten (10) feet on the other side to any said lot line.

C. No residential structure shall be erected or placed on any building plot, which plot has an area of less than 8,000 square feet or a width of less than seventy (70) feet at the front building setback line, except lots on a curve. A subdivision of the property covered hereby known as Rolling Acres, has been mapped and approved and recorded with the Clerk of the Circuit Court in Plat Book 4, page 24, of the public records of Leon County, Florida. The residential lots thereon are hereby approved for use regardless of whether the same contain 8,000 square feet or have a minimum width of seventy (70) feet at the front building setback line.

D. No noxious or offensive trade or activity shall be carried on upon any lot, nor shall anything be done or kept thereon which may be or become an annoyance or nuisance to the neighborhood.

E. No trailer, basement, tent, shack, garage, barn or other out-building erected in the tract shall at any time be used as a residence, temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

F. No dwelling shall be permitted on any lot in the tract unless the ground floor area of the main structure, exclusive of one-story open porches and garages, shall be at least eight hundred (800) square feet in the case of a one-story structure or eight hundred (800) square feet in the case of a one and one-half or two-story structure.

G. No building shall be erected, placed or altered on any building plot in this subdivision until the building plans, specifications, and plot plan showing the location of such building, have been approved in writing as to conformity and harmony of external design with existing structures in the subdivision, and as to location of the building with respect to topography and finished ground elevation, by a committee composed of S. P. Deeb, Jack C. Koons and Opal B. Neeley, or any others that they or Deeb Builders, Inc., a Florida corporation, may designate to approve

any plans on homes proposed for this subdivision. In the event of death or resignation of any member of said committee, the remaining member, members or Deeb Builders, Inc., shall have full authority to elect successors and to approve or disapprove such design and location, or to designate a representative with like authority. In the event said committee, or its designated representative, fails to approve or disapprove such design and location within thirty days after said plans and specifications have been submitted to it, or, in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee shall run so long as these restrictive covenants are binding upon this subdivision.

H. These restrictions shall run with the land.
