COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned by Declarant, hereby covenants, and each Owner of any Lot

by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such property at the time of the assessment. The personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Property and for the improvement and maintenance of the Common Area and of the homes situated upon the Property.

Section 3. Annual Assessment and Maximum Annual Assessment. The initial annual assessment per homeowner shall be \$40.00 per year per Owner. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Hundred and No/100 Dollars (\$100.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year by no more than five percent (5%) above the assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased

above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may increase the annual assessment at any time to an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast a majority of all the votes of each class of membership shall constitute a quorum.

Section 6. Uniform Rate of Assessment and Collection. Both annual and special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly or quarterly basis.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of

Directors shall fix the amount of the annual assessment levied against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of fifteen percent (15%) per annum or at such other legal rate as may be established by the Board of Directors. The Association may bring an action at law against an Owner personally, or foreclose the lien against the subject Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of a Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot shall not affect the personal obligation of an Owner to pay any outstanding assessment. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof or the bona fide conveyance to a mortgagee in satisfaction of a first mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

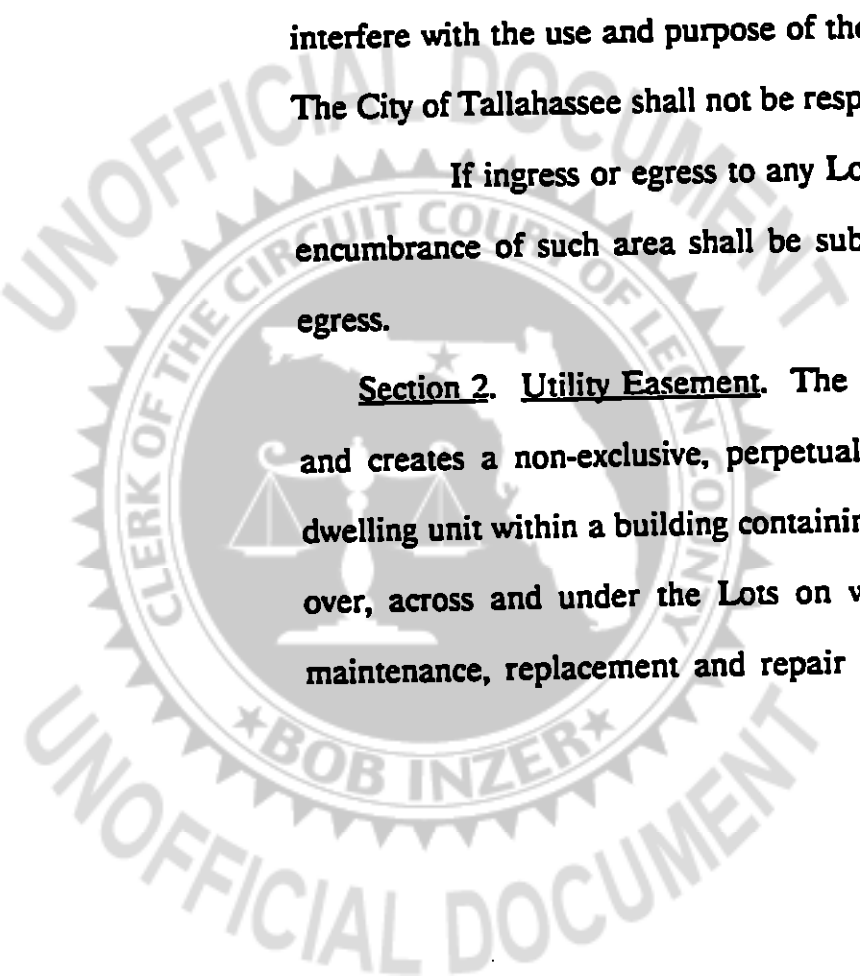

Section 10. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Florida shall be exempt from the assessments created herein, except no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE V. EASEMENTS

Section 1. Easement for Ingress, Egress and Utility Purposes. The Declarant hereby reserves, excepts, imposes, grants and creates a non-exclusive, perpetual easement to and on behalf of the Declarant, the Association, the Owners, their grantees, heirs and successors in interest, for drainage and utility purposes and for ingress and egress over, under and across that portion of the property described and depicted in Composite Exhibit "D" attached hereto and by reference made a part hereof. This easement shall be maintained by the Association. Within this easement, no structure, planting or other material which may interfere with the use and purpose of the easement shall be placed or permitted to remain. The City of Tallahassee shall not be responsible for utility trench lines or trench line failure.

If ingress or egress to any Lot is through the Common Area, any conveyance or encumbrance of such area shall be subject to the Lot Owner's easement for ingress and egress.

Section 2. Utility Easement. The Declarant hereby reserves, excepts, imposes, grants and creates a non-exclusive, perpetual easement to and on behalf of each Owner of a dwelling unit within a building containing attached dwelling units, a non-exclusive easement over, across and under the Lots on which such building is located for the installation, maintenance, replacement and repair of utility lines including electricity, telephone, gas,

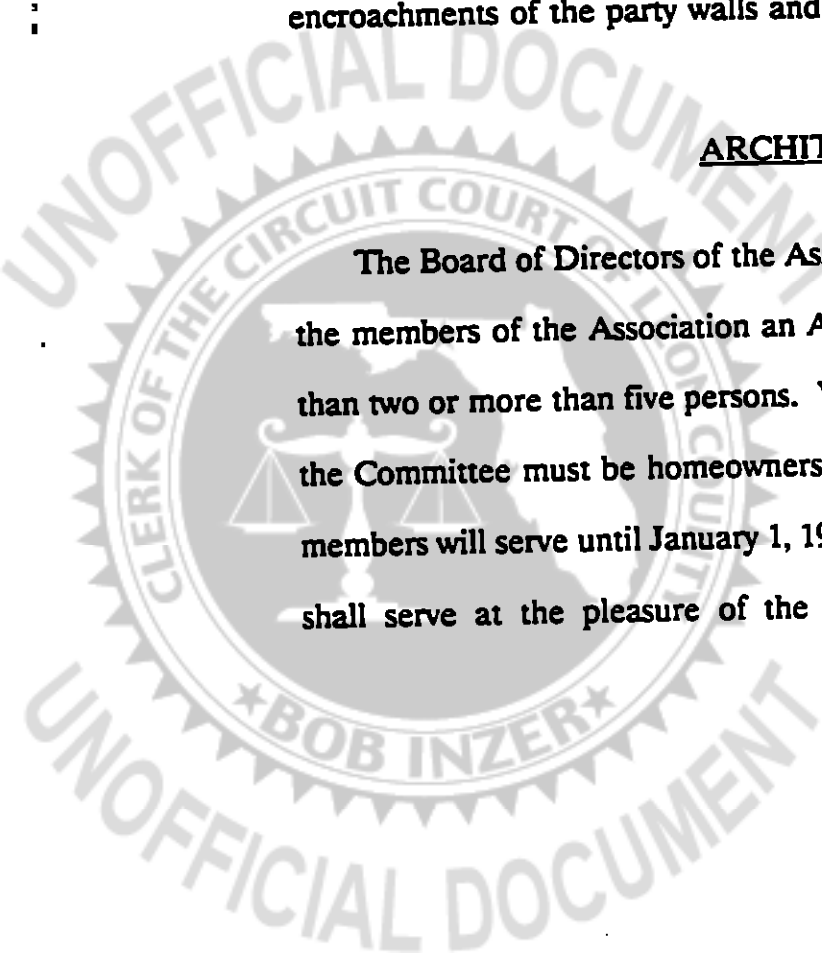

water, sewer and cable television. In the event of any installation, replacement or repair, the party making such installation or repair shall restore the property to the condition existing immediately prior to such installation and repair. The said easement shall not extend over, through or under any portion of the building unless the building is constructed with utility service to one side of the building with the utility lines and facilities running through the attic area of the building. In such event, an easement shall exist for the maintenance, repair and replacement of such utility lines in the manner as originally constructed. In the event any utility line or facility is damaged or destroyed by the act or omission of an Owner, such Owner shall repair or replace such line or facility at his sole cost and expense and restore all the property to the condition existing immediately prior to such repair or replacement.

Section 3. Easement for Encroachments. The Declarant hereby reserves, excepts, imposes, grants and creates a perpetual easement to and on behalf of the Declarant and each Owner for encroachments created during the initial construction by the Declarant of permanent improvements to the Lots. Such easements shall extend to and cover encroachments of the party walls and portions of buildings, driveways and walkways.

ARTICLE VI.

Thereafter, all members shall serve at the pleasure of the Board of Directors of the Association. The initial

All notices or submission requests to be given to the Committee shall be in writing delivered by mail to the principal registered office of the Association as from time to time set forth in the records of the office of the Secretary of State of Florida, Corporate Division.

No homeowner shall erect or maintain any building, fence, wall or other structure nor shall any homeowner commence or make any exterior addition to or change or alteration in the shape, color, or appearance of the exterior of existing improvements or make any material alteration, addition, or deletion to the landscaping of any lot until any unless the plans as specifications showing the nature, kind, shape, height, materials, color, location, and all other details of the same shall have been submitted to and approved in writing by the Architectural Control Committee as to the quality of materials, harmony and external design, and color, and the location in relation to surrounding structures and topography. The effect of the changes, improvements, or alterations on the topography of the land and the environmental impact thereof may also be considered by the Committee in determining whether approval may be given. Such approval may be withheld for any reason, but if no written notice of approval or disapproval is given by the Committee within thirty (30) days after it has received full plans and specifications, approval will not be required and this provision will be deemed to have been complied with. In the event written approval is given, no work shall be commenced until such time as the homeowner or his contractor has obtained all permits required by law. Notwithstanding the foregoing provisions related to the appointment of the Architectural Control Committee and the members constituting the same, the Declarant shall have the right to appoint all successor members until January 1, 1994.

If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the other under any rule of law regarding liability for negligent or willful acts or omissions.

The same sight-line limitations shall apply on any lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines. The Board of Directors of or the Architectural Control Committee appointed by the Board of Directors may, in its sole discretion, grant variances to the restrictions provided for in this Article.

ARTICLE XIX. REGULATIONS

Reasonable rules and regulations concerning the use of the common areas and easement areas and all other areas which the Association owns or maintains may be made and amended from time to time by the Board of Directors of the Association. ARTICLE XXIII. GENERAL PROVISIONS

Section 1. Enforcement. The Association, any Owner, or Declarant shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. The failure of the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

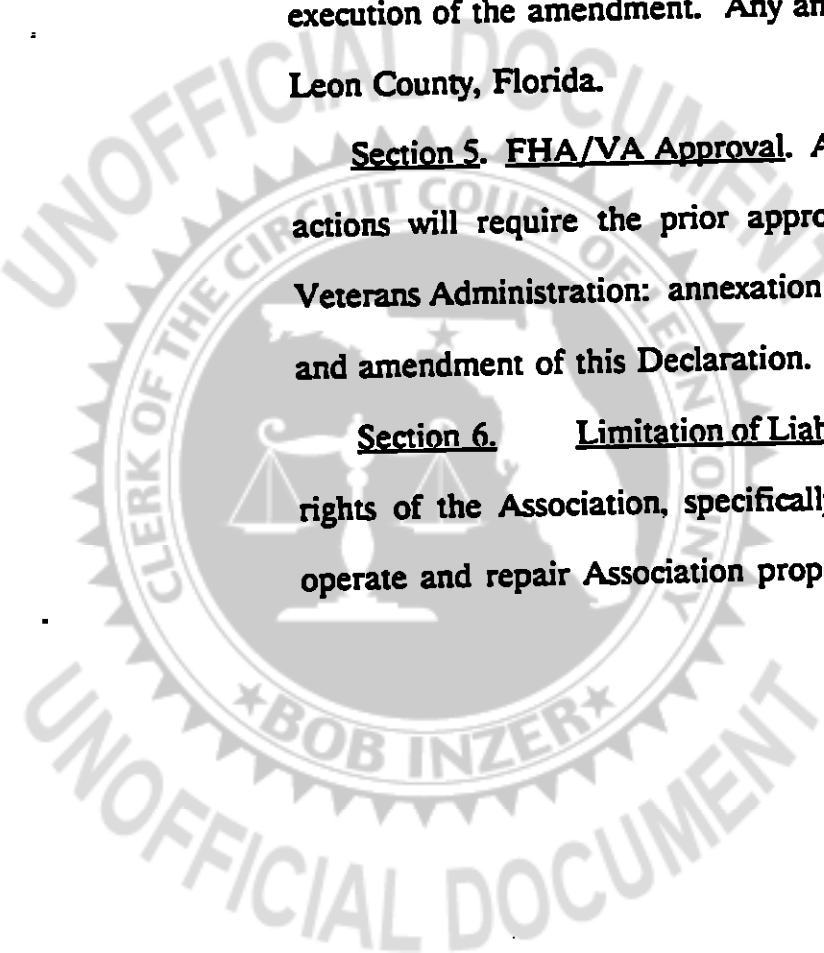

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Annexation. Except as proscribed by Section 5. hereinbelow, additional residential property and common areas may be annexed to the Property with the consent of two-thirds (2/3) of each class of members. Any such annexation shall subject said lands to these covenants, conditions and restrictions, and the Owners of each Lot in such annexed area shall have the same rights, benefits, obligations and duties as the Owners of the Lots described in this Declaration.

Section 4. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Owners. Any amendment must be recorded in the Public Records of Leon County, Florida.

Section 5. FHA/VA Approval. As long as there is a Class B membership the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties, dedication of Common Area, and amendment of this Declaration.

Section 6. Limitation of Liability of Association. Notwithstanding the duties and/or rights of the Association, specifically including, but not limited to its duty to maintain, operate and repair Association property, the Association shall not be liable for injury for

Section 7. Insurance and Homeowner's Obligation to Rebuild.

(a) Each homeowner shall maintain fire and extended coverage insurance on his house and improvements in an amount equal to the maximum insurance replacement value. The Association may require the homeowner to provide written evidence of such coverage annually. In the event of loss, subject to the consent and approval of any mortgages named as a loss payee, all insurance proceeds shall be used to promptly repair or replace the damaged property unless the Board of Directors of the Association shall otherwise agree.

(b) If all or any portion of a residence is damaged or destroyed by fire or other casualty, it shall be the duty of the owner thereof, with all due diligence, to rebuild, repair or reconstruct such residence in a manner which will substantially restore it to its appearance and condition immediately prior to the casualty. Reconstruction shall be undertaken within thirty (30) days after the damage occurs, and shall be completed within one hundred eighty (180) days after the damage occurs.

Section 8. Development by Declarants. No provisions contained herein shall prevent Declarants, their contractors or subcontractors, from performing such work and activities as are reasonably necessary or advisable in connection with the construction of any houses or other improvements upon the property, nor shall said provisions in any way prevent the Declarants from maintaining such signs on the property as they think to be helpful for the sale, lease, or other disposition of houses.

Section 9. Election of Board of Directors. In addition to all other rights and privileges granted to the Declarants under this Declaration, and notwithstanding any provisions of the Articles of Incorporation and By-Laws to the contrary, the Declarants shall, subject to the

DR 1559PC0762

following limitations, be entitled to appoint all of the members of the Board of Directors of the Association until January 1, 1994, unless Declarants release or terminate such right by instrument in writing.

Section 10. Variances. Variances for minor deviations from this Declaration may be granted by Declarants or the Architectural Control Committee at any time to Declarants and any homeowner.

Section 11. Duration. Unless sooner terminated by a writing signed by at least three-fourths (3/4) of the homeowners and mortgagees of record, these covenants and restrictions shall be binding until December 31, 2020, after which date they shall be automatically extended for successive periods of five (5) years each unless an instrument signed by at least a majority of the homeowners and first mortgagees of record has been recorded agreeing to terminate said covenants and restrictions, dedication of common area; and amendment to the Association's articles of incorporation.
