- (e) Repayment of funds, and interest thereon, borrowed by the Association.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment shall be twenty-five dollars (\$25.00) per lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the membership.

- (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum set forth above.

Section 4. Special Assessment for Capital Improvements. Each lot owner shall pay a special assessment for capital improvements in the amount of \$25.00 per lot per year, which assessment shall terminate ten (10) years from the date of the recording of the plat for the Aucilla Shores Subdivision. Said funds shall be maintained in a separate capital improvement fund, and shall be

If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 30 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on an annual or more frequent basis.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all lots on the first day of the sixth month following the conveyance of the first lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid.

Section 8. Effect of Non-Payment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the maximum rate then permitted under Florida Law. The Association may bring an action at law against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas or roads or abandonment of his lot.

Section 9. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinated to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to a mortgage foreclosure, or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessment thereafter becoming due or from the lien thereof.

#### ARTICLE V RESTRICTIVE COVENANTS

1. No permanent dwelling shall be permitted which has a ground floor area, exclusive of open porches or garages, of less than 720 square feet. Mobile homes shall be allowed providing they are new (first time set-up) when placed on the lot and meet size requirements of 720 square feet. All mobile homes must be

underskirted and setup and maintained in a neat and orderly fashion. Prior to construction or setup of any dwelling or mobile home, the owner must receive written authorization of compliance from the Board of Directors of the Association. Failure of the Board of Directors to respond within 30 days of a written request for approval shall be deemed to be an approval.

2. Trash, junk, garbage and abandoned automobiles shall be removed by the Association from any lot at the expense of the owner, if such is not removed by the owner within thirty (30) days of receipt of written notice from the Association, mailed to the owner by certified or registered mail.

3. Travel trailers, campers, motor homes and tents shall not be permitted to remain on any lot longer than 90 days per year; however an owner with a permanent dwelling on his lot will be allowed to maintain or park a travel trailer or motor home on his lot.

4. No trade or business, nor any noxious or offensive activity, shall be carried on upon the herein described lots which may be or may become an annoyance or nuisance to the owners of said property.

5. The lot owner may fence his lot along his boundary lines and graze cows, horses, goats, etc., provided they do not create a nuisance to the neighboring property owners. Pigs, chicken barns or animal pens shall not be allowed within 200 feet of any existing roads or if they would disturb the peaceful enjoyment of nearby landowners. Animals, whether by actions or number, shall not create a nuisance to the neighbors in the development.

6. No hunting or discharge of firearms shall be permitted upon any lot within the subdivision, nor any roads or common areas therein.

7. No more than one residential dwelling shall be permitted for each five (5) acres. Lots larger than ten (10) acres may be divided, provided all portions equal or exceed five (5) acres in area.

8. Finished floor elevations of all habitable structures, including mobile homes, must be a minimum of 1 foot above the 100 year storm. This elevation may be obtained from the Jefferson County Building Department.

9. The Association reserves the right at its sole option and expense to maintain fire lanes around the perimeter of lots. Said reservation will be without liability to the surface owner or may be discontinued by said owner notifying the Association of the owner's desire to discontinue said right.

10. In the event of a violation or breach of any of these restrictions by any person, the Developer, the Association or any owner of a lot covered by these Restrictions, jointly or severally, shall have the right to proceed at law or in equity to compel a compliance with the terms hereof or prevent the violation or breach of any of them. In addition to the foregoing right, the Association shall have the right, whenever there shall have been built on any lot in the subdivision any structure which is in violation of these restrictions, to enter upon the property where such violation exists and summarily abate or remove the same at the expense of the owner, and such entry or abatement or removal shall not be deemed a trespass. The failure to enforce any right,

reservation, restriction or condition contained herein, however long continued, shall not be deemed a waiver of the right to do so thereafter as to the same breach, or as to any breach occurring prior to or subsequent thereto, and shall not bar or affect its enforcement.

11. The Developer reserves the right without notice to grant to any public utility, public body or the Association a 10 foot wide easement for utilities and drainage across each lot along and adjacent to every lot line.

ARTICLE VI  
PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Existing Property. The real property which is, and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Jefferson County, Florida and has been hereinbefore described in the "WHEREAS" provision on the first page hereof, and is by this reference incorporated herein.

Section 2. Additions to Existing Property. Additional land may become subject to this Declaration by recordation of additional or supplemental declarations containing essentially the same substance as the instant Declaration, in the sole discretion of the Developer. Any subsequent or supplemental Declaration of Restrictions and Protective Covenants shall interlock all rights of members to the Association to the end that all rights resulting to members of the Association shall be uniform as between all lands or properties covered hereby.

Section 3. General Provisions Regarding Additional Property. In the event additional property is added to the terms and provisions of this Declaration of Restrictions and Protective Covenants, no addition shall revoke or diminish the rights of the owners of the properties to the utilization of the common areas and private roads as established hereunder, except to grant to the owners of the properties being added the right to use the common areas and private roads as established hereunder.

ARTICLE VII  
AMENDMENT BY DEVELOPER

The Developer reserves and shall have the sole and exclusive right without notice to amend these Covenants and Restrictions for the limited purpose of curing any scrivener's error, ambiguity in or inconsistencies between the provisions contained herein.

ARTICLE VIII  
ADDITIONAL COVENANTS AND RESTRICTIONS

No property owner, without the prior written approval of the Developer and the Association, may impose any additional covenants or restrictions on the properties or any additions thereto as may hereinafter be made pursuant to Article VI hereof.

ARTICLE IX  
GENERAL PROVISIONS

Section 1. Enforcement. The Association or any owner shall have the right to enforce by any proceedings at law, or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded in the public records, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the owners, and thereafter, by an instrument signed by not less than seventy-five percent (75%) of the owners. Any amendment must be recorded.

Section 4. Acceptance of Roads by County. In the event the Board of County Commissioners is requested to accept any roadway for maintenance, such roadway shall, at the expense of the Association, comply with the then current road and maintenance standards of the County before being accepted by the County. The Developer warrants that when twenty-five (25) permanent residents live in the Aucilla Shores Subdivision or along the 2.1 mile access road to the Aucilla Shores Subdivision from Highway 146, or within two (2) years from the date of recording the plat for the Aucilla Shores Subdivision, whichever occurs first, the Developer will at its expense bring said 2.1 mile access road to an LBR (load bearing ratio) of 65 within the driving surface, and to an LBR of 40 along the shoulders of said road, with the use of limerock or other suitable materials, if required.

At such time as fifty (50) permanent residents live along the 2.1 mile access road, or within the Aucilla Shores Subdivision, or within ten (10) years from the date of the recording of the plat for the Aucilla Shores Subdivision, whichever of the foregoing should occur first, the Association shall, at their next regularly scheduled meeting, vote upon the issue of whether or not the members of the Association desire to pave or further improve said access road at the expense of the Association; and in the event the Association should determine that paving or improvement is so desired, they shall modify, extend or terminate the capital improvement assessments, as may be required and appropriate. Any paving or improvements shall be done first to roads having the greatest traffic, with work done to acceptable engineering standards.

1. In addition to the property already subject to said Declaration, as is described in the Declaration, and subsequent supplements thereto, the Developer does by this instrument hereby make, declare and impose upon the following lands, for the benefit and protection thereof, the conditions, restrictions, limitations and easements set forth in the Declaration, which shall be and constitute the covenants running with the land, binding upon said owner, its successors and assigns, all persons designating title through said owner or claiming any right, title or interest in said land, all subsequent purchasers thereof, their heirs, personal representatives, successors and assigns:

All of Lots 1 through 6, inclusive of MUCILLA PLANTATION, UNIT ONE, per the plat thereof filed at Plat Book "B," page 63, of the Public Records of Jefferson County, Florida; plus

All of Lots 1 through 6, inclusive, of MUCILLA PLANTATION, UNIT TWO, per the plat thereof filed at Plat Book "B," page 64, of the Public Records of Jefferson County, Florida; plus

those portions of Lots 3 through 21, inclusive, of MUCILLA PLANTATION, UNIT THREE, per the plat thereof filed at Plat Book "B," page 65, of the Official Records of Jefferson County, Florida, which are situated within 600 feet of Smokehouse Farms Avenue or Smokehouse Farms Drive, plus all of Lot 22 and those portions of Lots 20 and 21 which are situated within 500 feet of Lot 22 of said MUCILLA PLANTATION, UNIT THREE.

2. Some of the lots described in Paragraph 1 above represent in whole or in part, replats of lots or portions of lots previously covered by the Declaration as amended. 3. It is Developer's express intention that those portions of Lots 3 through 21, inclusive, in MUCILLA PLANTATION, UNIT THREE, which are excluded from the description contained in Paragraph 1 above, shall not be subject to the Declaration of Restrictive Covenants as amended but may be made subject to other restrictive covenants at Developer's option.

5. All other terms, provisions and conditions contained in the Declaration as previously modified, except as may be expressly amended herein, are hereby ratified and confirmed, and are incorporated herein by this reference, to the same extent and effect as if those said provisions, terms and conditions were set forth herein in their entirety.
