1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them, however, such lien upon the Property shall continue until satisfied.

2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and to cover the cost of improvements, utilities maintenance, repairs and replacement of the Common Area and management and protection of same.

3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Four Hundred Dollars (\$400.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 5% above the assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 5% by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may increase the annual assessment at any time to an amount not in excess of the maximum.

4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. Moreover, in the event there are assessments mandated by any city or county governmental agency, these will be equally divided among all of the Property owners.

5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast a majority of all the votes of each class of membership shall constitute a quorum.

6. Uniform Rate of Assessment and Collection. Both annual

and special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly or quarterly basis.

7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of six percent (6%) per annum or at such other legal rate as may be established by the Board of Directors. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof or the bona fide conveyance to a mortgagee in satisfaction of a first mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

10. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Florida shall be exempt from the assessments created herein, except no land or improvements devoted to dwelling use shall be exempt from said assessments.

11. Obligations of Declarant/ Association. In the event Declarant or the Association fails to perform its obligations in

regard to annual assessments or repair of any common areas, or pursuant to obligations required hereunder, an Owner may sue to enforce said obligations, and the prevailing party under such litigation shall be entitled to attorney's fees.

ARTICLE V
EASEMENTS

The Declarant is simultaneously hereto conveying to the Association the roadways more particularly described in Exhibit "B" hereto and reserves a non-exclusive, perpetual easement to and on behalf of the Declarant, the Association, the Owners, their grantees, heirs and successors in interest for drainage and utility purposes and for ingress and egress over, under and across that portion of the property described in "Exhibit B" attached hereto and by reference made a part hereof. This easement shall be maintained by the Association. Within this easement, no structure, planting or other material which may interfere with the use and purpose of the easement shall be placed or permitted to remain.

Whenever four-fifths (4/5) of the Owners of four-fifths (4/5) of the property abutting the roadways described in Exhibit "B" hereto present a signed petition proposing that such roadways be dedicated to the county or a successor local government, the Association shall be required to dedicate to public use such roadways in the subdivision. However, the Association shall be prohibited from dedicating to the public use of the roadways within the subdivision unless such dedication is agreed to by four-fifths (4/5) of the Owners of four-fifths (4/5) of the property abutting such roadways in a signed petition proposing such dedication which is presented to the county or a successor local government and such local government agrees to such dedication.

ARTICLE VI
ARCHITECTURAL CONTROL

In the event said Board, or its designated committee, fails to approve or

disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. The Declarant, or his designee, shall comprise the Architectural Control Committee until such time as Declarant turns over control of the homeowners' association to same. Declarant, his successors and assigns reserve the right to dedicate all or part of the Easement Areas to any public agency or governmental unit, and all easements in favor of the Owners created by this Declaration are subject to this condition.

ARTICLE IX
ENFORCEMENT

The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant, restriction, condition, reservation, lien or charge herein contained shall in no event be deemed a waiver of the right to do so.

ARTICLE X
DURATION AND AMENDMENT

The covenants, conditions and restrictions of this Declaration shall run with and bind the Property for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by not less than two-thirds (2/3) of the Owners. For the purposes of amendment of this Declaration, co-owners of a Lot shall be considered as one owner. To become effective, an amendment must be recorded.
